

Our Positive Class

SAFETY RELATIONSHIPS ENVIRONMENT LEARNING

In this classroom, I choose to...

- ◆ know reasoning behind school and social rules
- ◆ use strategies to manage stress and motivate success
- ◆ use safe and ethical behaviors
- ◆ follow the school drills
- ◆ participate in addressing identified school's needs
- ◆ contribute to the success of others
- ◆ promote respect of self and others
- ◆ help create a better world
- ◆ establish positive relationships with others
- ◆ prevent or resolve interpersonal problems
- ◆ respect differences
- ◆ set goals and create a plan to achieve them
- ◆ participate in teams and promote group effectiveness
- ◆ persist through failure (**F**irst **A**tttempt **I**n **L**earning)
- ◆ build study habits for improved academic performance

Aligned to Social and Emotional Learning Goals for 6th - 8th grade students
